I am a tech enthusiast, a generalist undergrad, explored every possible abstraction layers of CS and prefer to stay in the bottom layers, away from the general users and closer to the system. I find how two abstraction layers communicate with each other (IPC, API, RPC etc) interesting.

## Education

- Dhaka University of Engineering & Technology, Gazipur** *February 2018 - June 2022*
  - BSc, Computer Science and Engineering

## Technical Skills

- C++, Python, GNU/Linux systems (5+ years), CLI Applications, Version controlling - Git, OSI Layers, Database & DBMS, AWS, Open Source exploring, Software Licensing. I notice and enjoy other’s design choices (UI/UX, System Architecture, Typography etc)
- Algorithmic Problem Solving (340+ and counting), InfoSec Security Contests (CTFs)

## Experiences and Generalized Projects

- Projects:** A lot of projects to understand various abstraction layers of Operating Systems such as, a user-space Linux file system: [sec.fs](#), that encrypts file contents in every write request, a [Github Clone: Gitbucket](#) - that lets us clone over http, [Browser Extensions](#), MS Outlook [desktop and web app extension](#), local network file servers, android os daemons, cli tools etc
- Writing:** I write and investigate about Systems, System Architecture, GNU/Linux, [Software Daemons](#), File Systems (undergrad thesis on file systems on user space), syscalls (strace!), Infosec, [Computer Networks and the Internet](#) on my free time
- TicketBD, an online bus ticket selling platform** *February 2016 - 2017*
  - [TicketBD](#), lauched on Sayedabad, Dhaka to sell bus tickets. Designed and implemented this PHP backend application, handled multiple buy requests to the same "bus seat" using caching. Worked here when I was in college.

## Leadership Experiences (selected)

- Vice President, Ex General Secretary - DUET Computer Society** *July 2021 - June 2022*
  - I managed and moderated DUETCS organization online repositories and profiles on [Github](#), [Website](#), [LinkedIn](#) and hosted offline events
- Senior Vice President - DUET Sports Club** *July 2021 - Jan 2022*
  - Organized several inter-department Cricket and Football tournaments, learned how tough it is to finish a sports tournament in a chaotic setting like south asia

## Awards and Certifications

- ITEE, Level 2 - FE, Full Pass, Examinee No: FE01-0644** (Nov 2021, Information Technology Engineers Examination - ITEE is the national level IT Engineers Examination governed by IPA, Japan, considered as IELTS of CS)
- Champion of Intra-DUET English Olympiad** (2019, Became the champion of Intra-DUET English Olympiad held by English Language Club, DUET)

## Field of Interests

- Computer Systems, Core CS, World Peace, Mass/Public Education, Storytelling, Animal Conservation (Volunteered for a year at [Creative Conservation Alliance](#), [Turtle Conservation Center](#), [Bhawal National Park](#) in this lockdown), Sports and Poetry, Chess, Math, Online forums (Hacker News, Reddit), Local and Global Economy and anything that stirs the intellectual interest
